MOSMATIC 20" HURRICANE FLIP

Features & Specifications

Material: 20 inch stainless steel cover

Max Pressure: 4,000 PSI

Flow Rate: Min 15 L/min - Max 30 L/min

Versatile Use: Functions as both an undercarriage cleaner and a floating surface cleaner.

Wheeled Option: For larger jobs, flip the casters to use as a wheeled surface cleaner.

Quick, Easy, Efficient: Designed for effective cleaning.

The Mosmatic Hurricane Flip serves as both a surface cleaner and underbody wash in one unit. Its low profile design eliminates the need for a vehicle lift, making cleaning more convenient. Time-saving and cost-efficient, it can be operated with both cold and hot water.

WE SERVICE WHAT WE SELL!
